RESPONSE

Asst. Commissioner of Patents  
Washington, D.C. 20231

Sir:

This is in response to the Requirement To Remove  
Security Markings Or Obtain A New Secrecy Order mailed January  
21, 1999 (Paper No. 7).

Attached is a copy of a communication dated February  
19, 1999 to the Commissioner of Patents and Trademarks from the  
Armed Services Patent Advisory Board advising that the security  
classification of this application is to be kept SECRET and  
requesting issuance of Secrecy Order No. 2.

In view of the issuance of the requested Secrecy Order  
by the Patent and Trademark Office on February 25, 1999, it is  
believed that no further action in response to Paper No. 7 is  
required.

Respectfully submitted,

JACOBSON, PRICE, HOLMAN & STERN, PLLC

Dear Sir:

The following identified application has been examined by representatives of the Armed Services Patent Advisory Board under the provisions of 35 USC 181:

U.S. Patent Application Serial No.: 08/806,763

Filed: 24 March 1997

Inventor(s): Carlson

Title: Decoy for Deceiving Radar Systems, Especially Doppler Radar Systems

This is to notify you in accordance with 35 USC 181 that the publication or disclosure of the invention by the granting of a patent therefore would be detrimental to the national security.

The above application is modified to permit disclosure to such extent as may be duly authorized under any other issued by the Sweden patent office restricting disclosure of the subject matter.

It is accordingly requested that you order that the invention be kept secret and withhold the grant of a patent for such period as the national interest requires.

It is further requested that Secrecy order No. 2 issue. The security classification of this application is SECRET. Please send one copy of the Secrecy Orders to Sweden.

Sincerely,

Diane R. Winter
